**The St. Haralambos Hellenic Dancers had an outstanding year in 2009!**

**The trip to Greece was fun-filled with many interesting excursions. We visited numerous archaeological sites, as well as, monasteries and of course, beautiful beaches. Our trip came to an eventful closing with a performance in Xios. I hope that the dancers will cherish the memory of this trip and remember their ancestral roots.**

**The group also had the opportunity to dance a halftime show for the Cleveland Cavaliers vs. Olympiacos exhibition game. Let's just say, the experience was exhilarating! This show will go down in the "books" as one of the best!**

**I want to personally thank all the dancers and parents for their hard work and dedication in 2009. I also want to extend a special thank you to**

**Father Nick, the Parish Council and the Community of St. Haralambos for all of your support. I look forward to the coming year.**
