The St. Haralambos Hellenic Dancers continue to be a hard working and dedicated group of our church. The dancers enjoy learning about their culture and heritage through the expression of Greek folk dance. As the director of the group I continue to enjoy and admire the youth for their desire to learn and continue our traditions.

The dancers have expressed their desire to bring back the “*Traditions of a Greek Wedding*” show! We look forward to putting on this production once again. Look for details in the March/April edition of the Koinonia. We are also excited to “kick-off” the 100 YEAR celebration for the building of our church! We will be hosting a dance Thanksgiving weekend 2012 to celebrate this milestone!

I want to personally thank all the dancers and parents for their hard work and dedication in 2011. I also want to extend a special thank you to Father Nick, the Parish Council and the Community of St. Haralambos for all of your support. I look forward to the coming year.
